Teams will be responsible for refereeing and/or scorekeeping throughout the day.

**Make sure you know your work assignments!!!**

In most cases, losing teams will ref/score a game following their loss.

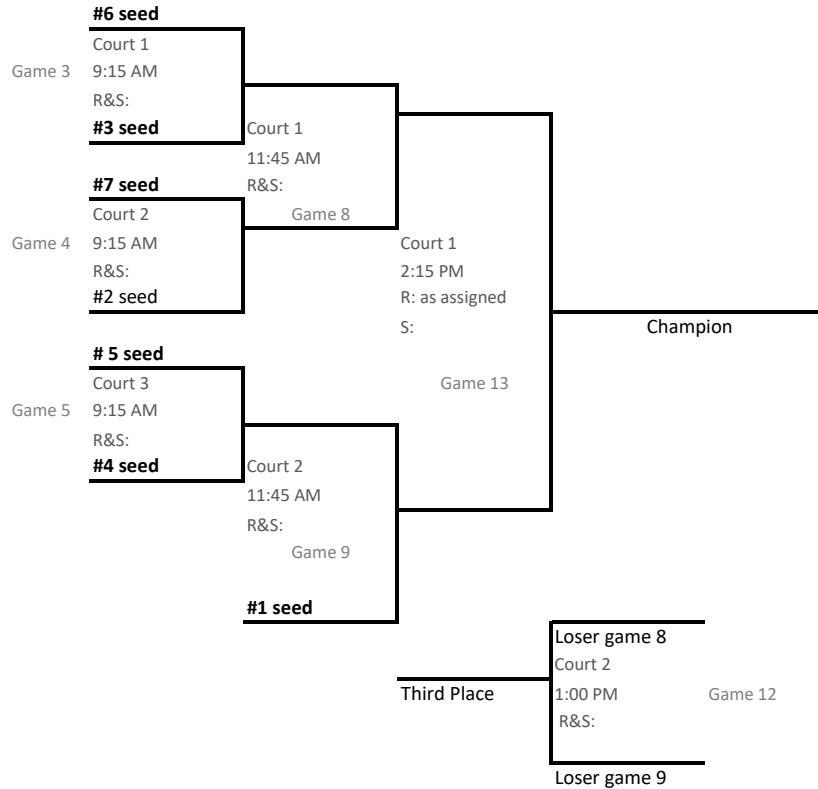

While every effort will be made to assign ref/score duties as close to the time you are done playing, it may be necessary for your team to work a game which does not immediately follow your loss.

Winning teams most likely will have some ref/score duties as well.
